17. To avoid in-breeding (i.e. induction of Institute’s own students in faculty), the Institute will follow the following policy:
 - (i) Candidates who have obtained or are expected to obtain their most recent degree (Ph.D.) from the Institute will normally not be considered for recruitment, except where there is a 3 years’ gap (approximately) between leaving the Institute and expected date of joining.
 - (ii) This is not applicable to candidates who are already members of the faculty, either regular or on contract, and are pursuing a higher degree in the Institute.

- (iii) In special cases, where the Department (at the time of short-listing) or the Selection Committee feels that an exception needs to be made (for reasons such as severe shortage of faculty in a given academic field or exceptionally brilliant candidate or any other), the reasons for such exceptions are to be recorded in writing and put up to the Board of Governors for approval. The Board, if convinced, may confirm the selection. Such appointments shall not serve as precedence. **[ibid, Annexure-IV, para 2(h)].**
18. Serving regular faculty members shall be eligible to apply for higher positions in their own Departments irrespective of their specializations, if they satisfy other advertised criteria. **[ibid, Appendix-A1, para 10].**
19. The Institute reserves the right to frame such shortlisting criteria as it deems fit. Such shortlisting criteria may include, among others, such conditions as:
- (i) Superior academic record – all through first class career or higher grades in B.Tech/M.Sc/M.Tech, higher than advertised criteria,
 - (ii) Reputation of institutions from where the candidate has obtained his degrees,
 - (iii) Number of unsuccessful attempts for the same post [Candidates who have been rejected in the past may be called only if there is a good reason, the reason to be recorded in writing.]
 - (iv) Specilistion, including micro-specialisation,
 - (v) Professional service record – reputation of organization where experience has been earned, nature of job, current activities etc.
- [ibid, Appendix-A1, para 15].**
20. Director's decisions shall be final for the purpose of calling a candidate to the interview. The decision of the Board on the selection shall be final and binding **[ibid, Appendix-A1, para 16].**
21. In addition to formal application, candidates will be required to submit reprints/preprints of publications and list of referees. The PIC will organize collection of references and review of publications by independent referees for short listed candidates, both internal and external **[ibid, Appendix-A1, para 17].**
22. The short listed candidates will be invited by the Chairman, ACoFAR or the Registrar for personal interview with the selection committee constituted in accordance with the NITSER Act, 2007 and the Statutes of the Institute. In addition, Institute may seek seminar presentation in the Departments, and/or any other form of academic interaction with the faculty. All such interaction will be open to the faculty and students of the Institute and will be well publicized in advance to invite a decent audience. The feedback of the faculty will be communicated to the Selection Committee by the HoD. Candidates located outside the country or otherwise not in position of attending personal interview, may be interviewed over video conferencing or be selected in absentia at the discretion of the Selection Committee **[ibid, Appendix-A1, para 18].**

23. The Selection Committee shall employ the same yard stick to evaluate all candidates for a post or AGP – external, internal and shall prepare a common panel of recommended candidates. Out of this panel, the vacant posts will be filled on the basis of merit without consideration of external or internal candidates **[ibid, Appendix-A1, para 20]**.
24. All appointments – regular, internal or external, will be effective from the date of the Board meeting or any later date fixed by the Board. There shall, however, be no pre-dating of an appointment **[ibid, Appendix-A1, para 23]**.
